

In the event that major work is needed, **you will be responsible for the first \$150.00 if you call BMTM before the work is done. Any work that is done without approval will be done at your expense.** We recommend you find a garage or repair shop through a local church, Good Shepherd Baptist Missions 1-800-226-9391, or your support contacts. If repairs are necessary and have been approved by BMTM, you will be responsible for the first \$150.00. BMTM will pay the remainder. **If repairs are necessary due to driver negligence (such as driving while an oil light or temp engine light is on or a gauge is in the unacceptable range) you will be responsible for all repair cost. If a transmission is burnt up caused from driving the vehicle low on transmission fluid, you will be responsible for the transmission rebuild** – we will pay the extra to have a lifetime warranty put on the transmission when it is done.

Our vehicles have been thoroughly serviced by qualified mechanics; however, unforeseen problems are still possible. We have established our fees at a minimum level taking into consideration your expenses for routine maintenance (ex. Belts, oil, hoses, bulbs, oil changes, full cost of tires-if you travel a large number of miles, etc.) If you have any questions or if we can be of further service please feel free to contact us. It is our privilege to serve your transportation needs. Visit our web site at www.BMTM.org for updates and new information.

I agree to the above maintenance agreement,
